Letter No. 81-4

MC 301 ID CARDS

This is to inform you that it is no longer necessary to type addresses on the county issued Medi-Cal ID cards (MC 301). As you may be aware, county issued cards (MC 302) generated via on-line MEDS terminals will not contain the beneficiary address. Until such time as all counties have the ability to obtain immediate need Medi-Cal cards via MEDS terminals, those counties manually issuing immediate need Medi-Cal cards (MC 301) may eliminate the address.

The procedures section of the Medi-Cal Eligibility Manual will be revised shortly to reflect this information. If you have any questions regarding this change, please contact your Medi-Cal Program Consultant.

Sincerely,
